Dear YMCA Basketball Families,

Welcome to another season of YMCA basketball. Registration is approaching fast and I want to keep you informed of important dates, minor changes and the opportunities that exist at your YMCA.

Registration

- Registration for YMCA members begins on Monday, December 5th, 2016 and is continuous thereafter.
- Please drop off, mail, register online or fax the enclosed form. No telephone registrations please!

Schedule

The program remains the same for most part but I did switch the time for some sessions. YMCA programs have grown to a point where I am able to hire staff to facilitate programs under my supervision. I have all girls sessions in succession followed by the boys.

Coaches

- The program is really made possible because of a large number of volunteer coaches. Please think about volunteering to coach a team this season. We hope for and generally have 2 –3 coaches per team.
- Experienced coaches - Think about branching out and mentoring a new coach this season.
- Background Checks - all YMCA volunteers are required to complete the paperwork for a background check. Please fill out forms at time of registration, or I will send one out to you. It is free to you!
(If you are a previous coach for a season you will not need to complete this background check again)
- **All coaches must complete a State Mandated online concussion education training. This will be provided at the coaches clinic, or a link with instructions will be given for those unable to attend coaches training.**
- Coaches Clinic- Thursday January 12th @ 5:30 pm at the Y. This is mandatory for the first time coaches.
- Previous year coaches are encouraged to attend if able. If you are unable to attend please contact Ryan at 320.222.9622.
