Wednesday, June 27th – Back by popular demand we will be walking to Cashwise where we will be given a tour of the grocery store. We will come back to the Y in the afternoon where the activity will be Boomtown. This gives the campers a chance to build their own town out of cardboard and other supplies we have to offer.

Thursday, June 28th– We will finish the planting of our Day Camp Garden along with some weeding, feeding, etc. As always, our volunteers will have garden related crafts and games for the rotations and in the late afternoon will find us swimming at the YMCA.
