There will be 20 spots available, previous season players have 1 week to re-register and then it is on a first come basis (Adult Men and Women 18+). Other interested participants can still fill out the form and will be placed as substitutes. If you are a substitute you do not need to pay the league fee, however you are still required to pay the yearly fees. We will be playing in two ability based leagues, intermediate (B) and advanced (A). Players will play a total of 6 games to 11 with a different partner each week. Scoring will be based on total wins overall. There will be a brief informational meeting at the beginning of the first league night.
