

The Y begins reopening on Wednesday, June 10, in phases with limitation and restrictions required for social distancing and additional safety precautions. Beginning next week, we will begin with Phase 1 activities. We welcome all current members, members moving their membership from hold to active, and Silver Sneakers. Members in high-risks COVID-19 categories are encouraged to stay safe at home. Building Hours and Schedules can be found on the YMCA Website Reopening Page and will also be posted on Facebook.

Phase 1 will include:

As of June 8

- Child Care at Willmar and Spicer ELC continues
- Youth Sports of Lacrosse and Soccer Skills Classes continue
- Youth Swim Lesson [Registration](#) begins. Lessons begin June 15. Beginning Levels 1 & 2 for both preschool and grade school levels required a parent or guardian from the same household in the water with the child. Parent/Adult is not required for levels 3-6.
- Summer Day Camp begins
- Leaders In Training begins

June 8-10

- Leaders In Training will conduct a Supply Drive to aid those adversely affected by the disturbing and unimaginable events in the Minneapolis and St. Paul areas. A list of supplies can be found on the Reopening Website page and supplies can be dropped off in the baskets outside the 24/7 main entrance at the Y. Supplies will be delivered by the LIT's on Thursday, June 11 at one of the YMCA of the Greater Twin Cities locations for distribution.

June 10

- Links below will be active on Tuesday, June 9
- Child Watch opens; Reservations [on-line](#) or by calling YMCA
- Outdoor Fitness Classes begin (yes, again); [Reservations](#) on-line or by calling YMCA. Cycling can register [on-line](#) or by phone too.
- Fitness Center (upstairs) opens; Reservations on-line or by calling YMCA

June 13

- Racquetball and Pickleball will be available on Saturdays beginning June 13; Reservations by calling the YMCA

June 15

- Swim Lessons begin June 15.
- Swimming Pool Lap Swim and Family Swim begin June 15; Reservations by calling the YMCA

All of these activities require pre-registration on-line or by calling the YMCA Welcome Center during business hours of Monday through Friday, 5:15 am- 7:30 pm at 320-222-9622.

- Outdoor Fitness Classes and Fitness Center are limited to 9 participants ages 16 and older per time slot and registration will open at 12:01 am the day prior to the scheduled fitness classes or fitness center availability. You may make one reservation in Outdoor Fitness Classes and one reservation in the Fitness Center per day. In case of inclement weather, classes will be held in Studio A.
- Child Watch is limited to 9 participants ages 3-10 years old per time slot and registration will open at 12:01 am the day prior needed care. You may reserve time in either the morning or afternoon, but not both.
- Lacrosse, Soccer, and Summer Day Camp require registration for the 4-week sessions of sports or 1-week sessions of Day Camp on-line. All sports classes will be limited to 9 kids per time slot. Summer Day Camp is limited to 54 campers per week and 18 LIT's per week. Please register early, as weekly openings are filling. In case of inclement weather, sports clinics will be held in the Small Gym.
- One Pickleball Court in the Small Gym and One Racquetball Court will be available by reservation on Saturdays. Courts are limited to one individual or one household per time slot. Reservations can be made on Fridays by calling the Y at 320-222-9622 between 5:15 am – 7:30 pm.
- Swimming Pool allows for one person per lane for lap swim. Up to two families may reserve a time slot during family swim, but each family will be required to remain with household unit and in separate areas while using the pool. Reservations can be made the day prior by calling the Y at 320-222-9622 between 5:15 am – 7:30 pm. Please come to the Y in Swim Suits and plan on leaving in swim suits as locker rooms are not available at this time.

To participate in Y activities:

- Face masks are required to be worn from arrival at the YMCA until strenuous activity begins and after the end of the class.
- Face coverings for children 3-12 are strongly recommended and caregivers will do their best to keep children wearing face coverings.
- Screening questions and temperature checks will be done at the YMCA front door for outdoor fitness classes and fitness center upstairs, at the Kids Gym door for child watch, at the pool door for swimming lessons, on the sports field for youth sports, at the 24/7 main entrance door for Pickleball and for Racquetball. All members are asked sanitize or wash hands upon arrival.
- A new [adult](#) and/or [minor](#) waiver and [member code of conduct](#) will need to be signed and submitted prior to first attended class. These waivers and the code of conduct will be available on the YMCA website reopening page so that you can bring it with you completed to save time.
- Fitness equipment will be available in the pool lobby for members to pick-up and take outside to their fitness class location. Increased cleaning and sanitizing procedures are also in place and we ask participants to wipe down equipment before and after use as an additional safety precaution.
- Virtual classes are also still available for you to access, so if you can't participate in the outdoor activities, please continue to participate virtually.
- Locker Rooms and Towel Service are not available at this time.

Due to the limited availability at this time, the Y is not able to take reservations from non-members, guests or Nationwide Y Members. We hope to be able to welcome you back in a future phase.

For those members that have continued their membership with the Y through all this craziness, we deeply appreciate you and thank you.
The YMCA staff is excited to welcome you back. We continue to prepare for reopening more of the facility and adding activities and thank everyone for your support during
