

Kandiyohi County Area Family YMCA Member Code of Conduct December 21, 2020

Entry

All members and visitors must go through each station before fully entering the facility:

- Health Screening
- Temperature Check
- Hand Sanitizing
- Reception and Entry

No equipment may be taken in by members unless otherwise permitted.
No food or drink can be taken in by members unless otherwise permitted.
(Water bottles that are already filled are permitted.)
All personal belongings must be in a closed bag. Please leave personal belongings at home or in your car when possible.

Beyond Check-In

All members & visitors must wear a cloth facemask even while working out.
All members must maintain 12 feet distance while working out.
All members must clean equipment before and after each use.
All members must wash hands per posted CDC guidelines.
No "spotting" in the weight room is permitted.
No contact of any kind is permitted.
All members and visitors must always maintain 6 feet of distance.
No locker rooms or showers available.

Exit

Members must take belongings home in a closed bag.
Members are highly encouraged to follow CDC guidelines outside of the facility to mitigate risk of transmission.
