

10-7-2020

YMCA Members,

Your YMCA is continuing to expand hours and programming while keeping safety in mind. Please be aware that positive COVID-19 cases have been increasing and if the trend continues, some open areas or programming may need to be scaled back. Please check your email, the YMCA website at kandiymca.org or the Y Facebook page for further updates.

Beginning October 12, building hours will expand.

Facility Hours:

Monday – Friday	5:15 am-9:00 pm
Saturdays	7:30 am- 4:30 pm
Sundays	12:00 noon-4:00 pm

Beginning on October 12, additional areas of the building will open for programs or reservations. You will be able to reserve the following for Monday, October 12 beginning on Saturday, October 10:

- Lower Level Fitness Center will be open during regular facility hours. Reservations for the Lower Level Fitness Center can be made on-line or by calling the Welcome Center.
- Basketball Shooting Time will be available beginning October 12 with a maximum of 2 people per reserved basket (1/4 of gym), each with their own ball.
- Open Swim Times will be available beginning October 12 with a maximum of 9 people per session. Members ages 7 and under must have a parent within arm's reach in the pool. Member ages 8-9 must have a parent in the building. Ages 10 and older are welcome without a parent. Reservations are required for each child and adult in the pool area.

All Reservations are area specific and you must remain in the area you reserved. Each area has a specific maximum capacity. Moving to another area of the building is prohibited.

The YMCA staff and I are looking forward to having you back at the Y as soon as you are ready to join us. All COVID-19 precautions are still in place. Masks are required in all common areas when not working out, swimming or showering. We ask that you sanitize or wash your hands when you come into the building. Temperature check and health screening questions are done at the welcome center before you self-scan your card. Members and Y Staff sanitized all areas and equipment frequently. We are taking every precaution to make the facility as safe as we can for you.

As always, stay safe, wear a mask, wash your hands, and keep your distance. See you soon.
